Be part of Canada’s leading trade show and conference for property, facility and operations managers, and facility service providers.

IMPACT of TECHNOLOGY IN THE BUILT ENVIRONMENT
Following last year’s successful debut, IFMA Global Canada, held in conjunction with ISSA Show Canada and REMI Show, will return to the Metro Toronto Convention Centre, 255 Front St. W., in downtown Toronto, on September 2-3, 2020.

IFMA Global Canada provides a platform for informed insight on best practices, industry certifications and training, and educational programming that touches upon relevant and emerging topics within the Canadian facility markets.

IFMA Global Canada is for professionals committed to creating and maintaining smart, secure and sustainable facilities. With the influx of IoT and AI, blockchain and other emerging technologies disrupting current FM and real estate practices, IFMA Global Canada 2020 will explore the “Impact of Technology in the Built Environment.”

Facility, property and operations professionals representing all industries, including healthcare, education, government, hospitality, manufacturing, retail and entertainment venues will engage with leading FM solutions providers and get a first-hand look at innovative products, services, tech and trends.

Uniting the global built environment industry to raise the bar in achieving more efficient facilities, IFMA Global Canada provides opportunities for facility professionals to expand their skill sets through informative and relevant educational sessions, certification workshops and peer-to-peer networking. Celebrating its 40-year anniversary in 2020, IFMA is the world’s largest and most widely recognized international association for facility management professionals, supporting more than 23,000 members in over 100 countries. This diverse membership participates in focused component groups equipped to address their unique situations by region (142 chapters), industry (16 councils) and areas of interest (six communities). Together, members manage more than 78 billion square feet of property and annually purchase more than US$526 billion in products and services.

TERMS AND CONDITIONS:

Should the exhibitor cancel or otherwise breach the terms of this agreement, all payments received by show management are non-refundable and the total space fees remain due in full. The exhibitor accepts and will comply with the rules and regulations in this agreement and in the exhibitor service manual. Show management reserves the right to relocate the assigned exhibitor booth(s) to an alternate space or to relocate the show to an alternate location. Such relocations shall not relieve the exhibitor of their obligations. If the 2020 show is cancelled and rescheduled to a 2021 date, the exhibitor will be required to pay a 50% deposit equal to their total booth costs to hold their 2021 booth space following the payment schedule in this agreement. The 50% deposit payment will secure the exhibitor’s booth space and will be applied in full to the 2021 Show. The remaining 50% balance is due within 120 days of the new show date in 2021. If an exhibitor has paid 100% of their total booth fees prior to the show moving to a new date in 2021, those fees will be applied in full to the new show date in 2021 with no further payments required. The exhibitor also has the option to receive a refund on any monies paid over the 50% deposit fee amount, but the 50% deposit will still be retained to hold the space for 2021. The exhibitor agrees to carry a minimum of $2,000,000 commercial general liability insurance, naming IFMA Global Canada, Remi Show and the Metro Toronto Convention Centre (MTCC) as additional insureds for the duration of the show from move-in through move-out. The exhibitor agrees to conduct all business at the show in accordance with the Occupational Health and Safety Act as outlined by the appropriate Provincial Ministry of Labour.
